2022 CONFERENCE

October 21st

FACING THE NEXT GLOBAL DISRUPTION

OUR CONFERENCE

Our annual conference brings together more than 200 Oregon-based professionals to connect, share, learn and grow - inspiring new ideas, igniting collaborations, and ultimately, creating lasting global impact.

THE SPEAKING OPPORTUNITY

At the fifth annual GlobalPDX Conference, we are inviting speakers from across the full spectrum of the Sustainable Development Goals to speak about the disruptions their industry/field faces.

In front of an audience of global practitioners, your insights provide valuable cross-pollination of ideas which become the real-world solutions implemented in communities worldwide.

As a speaker, what would my time commitment look like?

All speakers will receive a full-day complimentary ticket to the 2022 Conference (8:30am - 4:30pm on Friday, October 21st) which includes morning beverages and lunch. However speakers are only committed to attending their own one-hour session, and some light pre-event coordination with our team.

Are there virtual speaking opportunities available this year?

While we are not facilitating virtual opportunities at the 2022 Conference, GlobalPDX does organize year-round technical sessions for our membership. If you are interested in speaking at a virtual session throughout the coming year, reach out to our Initiative Lead at Jennifer@GlobalPDX.org
