

GLOBALPDX 2024 MIXER

Lightning Presentation Guide

What is the GlobalPDX Mixer?

Our Spring Mixer takes place on **June 13th, from 4-7pm**. This rooftop-event is an opportunity to enjoy the sunny Portland weather with local professionals, and learn about the work being done from Oregon to better the world.

Join us on
June 13th,
4 - 7 pm

About your GlobalPDX Audience:

This event will host 50+ Oregon leaders who are doing world-changing work. These professionals manage nonprofits and businesses, teach at academic institutions, and facilitate global communities. Fields of impact include global development, renewable energy, women's empowerment, refugee and migrant rights, and many more.

Lightning Presentation Parameters:

- **3 minute speaking spot** with option for on-screen visual accompaniment
- Talk should be **rehearsed, highly engaging, and informative**.
- Include a "**Call to Action**" at the end of your presentation (are you asking folks to donate, volunteer, attend an event, become a client, spread the word about you, etc.?) with QR code for easy action
